**Automatic
Portable
Cone 10
Energy Saving**

The **Liberty~Belle** kiln meets the needs of serious hobbyists, potters and others who need a simple small automatic kiln ideal for home use or for a studio test kiln. Complete easy-to-follow visual instructions make this kiln ideal for the beginner yet powerful enough for experienced users. It has L&L's time-proven technology like ceramic element holders, industrial-grade element terminals, heavy-duty elements and corrosion resistant materials. Insulation is an energy saving 3" brick. This sectional kiln is easy to move and set up by the home user. The 12 foot long 30 amp cord makes it easy to plug in.

Check out this complete list of superior features!

Cone & Temperature Limitation	Cone 10, 2350°F, 1287°C
Element Support	Hard Ceramic Element Holders protect brick
Element Terminations	Stainless Bolts on Ceramic Blocks, no special tools to change
Voltage	220 volts
Thermocouple	Heavy-duty 8 gauge type K
Hinge	Stainless Steel
Door Angle When Open	To the back (doesn't hang over opening)
Stand	Full support heavy gauge aluminized steel with rigid bends

SPECIFICATIONS

INSIDE DIMENSIONS: 16-1/2" diameter by 18" high with 3" brick, 2.5 cubic feet.

OUTSIDE DIMENSIONS: 25" wide by 31" deep by 31" high (55" high with lid open).

RECOMMENDED FLOOR SPACE: 51" wide by 51" deep (you need 12" around kiln).

ELECTRICAL SPECIFICATIONS: 220 volts, single phase using a Nema 14-30P 12 foot cord, 5267 watts, 23.9 amps, 30 amp fuse or circuit breaker, 10 gauge hook up wire. The plug can be easily changed to a Nema 6-30P or a 6-50P because the neutral is not used. (a 208 volt version with 4980 watts and 23.9 amps is optional)

ENERGY SAVINGS: The kiln when empty can reach Cone 10 in about 2 hours and use about 12.5 KWH (this would cost about \$1.00 @ 8 cents per KWH).

FURNITURE KIT: One 15" full shelf, four 15" half shelves, four each 1", 2", 4" and 6" triangular posts plus one pound of Cone 10 kiln wash.

SHIPPING BY MOTOR FREIGHT: 220 pounds for kiln. Add 30 pounds for furniture kit. 36" by 36" by 30" high. Shipping class 85.
